4 DE VALENCE BUILDING

Councillor Mrs Brown gave an update on the De Valence hires for February 2013, outlining work that has been completed including cleaning of the carpets, painting of the main floor and preparing the bar ready to receive stock. Therefore after all the work that has been done she felt the next step would be to market the venue. Councillors agreed that marketing the De Valence was a positive move and discussed various options:

- Produce a leaflet/flyer to advertise the venue.
- De Valence Facebook page.
- Tenby Times feature – past and present.
- Promotion Evening – Inviting local groups and prospective hirers to meet and discuss options and ideas for the future.

Following positive discussion it was

Recommended that TTC produce and print leaflets highlighting recent events including photographs.

Recommend that a De Valence Facebook page be set up by Councillor Blackhall.

Recommended that Councillor Mrs Brown discuss and liaise with the Tenby Observer to request the possibility of a press feature in Tenby Times.
